## Too Great a Risk.

In almost every neighborhood some one has died from an attack of cholera or cholera morbus, often before medicine could be procured or a physician summoned. A reliable remedy for these diseases should be kept at hand. The risk is too great for any one to take. Chamberlain's Colic, Cholera and Diarrhoea Remedy has undoubtedly saved the lives of more people and relieved more pain and suffering than any other medicine in use. It can always be depended upon. The Republicans of Lewis county have endorsed the four-year record of Senator WILLIAM H. COX of this city.

A PATERSON (N. J.) man has been found to have two hearts. Undoubtedly, these are the much quoted "two hearts that beat as one."

The Sheriff of Harrison County publishes the names of all taxpayers who haven't paid their polltax for the past year. That might be a good thing to do in some other counties not a thousand miles from Maysville.

In New York City May 1st the fee for saloon license was increased from \$800 to \$1,200, and in Brooklyn it was increased from \$600 to \$900. In New York City 718 saloonists went out of business and in Brooklyn there was a falling off of 123, a total of 841. And yet there are people so dense as to argue against high license as an antidote for the gin-mill germ.

At Frankfort Saturday the Attorneys for JAMES HOWARD filed three sensational affidavits in support of their motion giving their reasons for asking for a fourth trial.

The affidavits are made by W. L. GRADY, A. J. WOFFORD and H. F. JOHNSON, and charge that, prior to the trial, they heard both JURORS RENSCHAW and NEAL say that they were convinced HOWARD was guilty, and that if summoned and accepted as Jurors they would vote to hang him.

The Jurors in question, when examined for qualification as Jurors, both stated that they had neither formed or expressed an opinion.

As might have been expected Judge CANTRILL with marked promptness refused to grant a new trial, and the only hope now lies in an appeal to the higher Court.

AFTER all, it is evident that the Jim Howard Jury didn't believe YOUTSEY; if they did, they stultified themselves by fixing his punishment at imprisonment instead of hanging.

WHEN Judge CANTRILL asked JIM HOWARD if he had cause to show why sentence should not be passed on him, Mr. HOWARD replied, "I am absolutely innocent." Then the Judge suspended sentence until the Court of Appeals reviews the trial.

SOME Ohio Republican leaders favor postponing the endorsement of ROOSEVELT's candidacy for re-election until the State Convention of 1904, thinking there might be a shift of public sentiment; and the chances are very largely that there will be.

THERE are just as big fools down in Bowling Green as elsewhere. A few days ago a lady died there. She had been under treatment by an osteopath. Her friends desired to transfer the body to a neighboring town for burial, for which a permit was necessary. When the undertaker applied to the City Physician, he refused to issue the permit, on the ground that the attending Doctor was an osteopath, not a registered physician, and not entitled to practice medicine. The able City Physician must admit, however, in this case at least, that the osteopath killed his patient just as successfully as if he had been the most accomplished sawbones of the old and regular school.

Political Pickings

HENRY YOUTSEY.

Cincinnati Commercial Tribune.

"Not a great while ago Henry Youtsey was regarded by Republicans as the helpless victim of a merciless political persecution. Now they look upon him as an unmitigated scoundrel," says The Georgetown (Ky.) Times. In what other light can Henry Youtsey be viewed? Declaring on the witness stand that he deliberately entered into a conspiracy to commit murder; that he furnished the weapon and pointed out Senator Goebel to the man who fired the shot and killed him—as he says—that he implicated innocent men because he didn't want to hurt the feelings of the brother of the murdered man; that he lied when he told of punishments in the Penitentiary; who is contradicted on important points by himself, by the sworn testimony of unprejudiced persons and by the testimony of parties under arrest and indictment for the killing of Senator Goebel—in what other light can he be looked upon by any man?

The above illustration shows the famous JUMBO BUGGY, built by the Anchor Buggy Co. of Cincinnati and on exhibition at Klipp & Brown's. This immense buggy is the largest ever manufactured, and is built on a plan of four times the regular specifications of the ordinary vehicle. The height is again as great as the ordinary shop buggy with 42-46-inch wheels. If you were to take eight buggies and pile them two high, two wide and two deep it would give you the exact width, height and length of the Jumbo. The wheels of this buggy are 7 feet 4 inches in front, 8 feet 2 inches at the rear. The bed is 112 inches long, 44 inches wide, and the total height from the ground to the top is 18 feet, and the vehicle will carry easily and comfortably twelve people. The manufacturers, Anchor Buggy Co., have the distinction not only of building the largest buggy in the world, but also of building the best buggies in the world, and their immense trade is the result of furnishing good goods at fair prices.

AN EMPHATIC ANSWER

To all of that "Tommy Rot" that the Trust men have been feeding you! They were only "Guying" you! They are paid to sell you Trust machines at a big price! They have to offer some excuse for trying to sell you a light-weight, cheaply-constructed and inferior Binder at an advanced price! They dare not admit the truth! If they did no one would buy a Trust machine. So they all tell you that a Minnie Binder is "no good," while we tell you it is the best one on earth. **READ THIS STATEMENT AND DECIDE FOR YOURSELF WHO HAS LIED!** Some one is guilty!

FEESBURG, OHIO, April 21, 1903.

This is to certify that I have owned and successfully run for seventeen years a Minneapolis binder which has at any and all times given me complete and absolute satisfaction. This binder that I own—seventeen years old—is a matter of neighborhood gossip. The entire neighborhood knows just what this binder has done, as during that time I have continually cut wheat for my neighbors. This binder has been all over the neighborhood in the past seventeen years; has cut any and all kinds of grain, over any and all kinds of land, and is absolutely nonchokable. The same canvasses that were on the machine when I bought it are there yet, and I challenge any other binder to show a record of as many acres cut as this machine has cut, seventeen years old. I have practically spent no money for repairs upon this machine all during this time. Other binder companies knowing the age of this machine have all sent their salesmen to sell me a binder of some other make. To each and all of these agents I have made one, and only one reply, you could not give me anything but a Minneapolis binder. If anyone doubts the assertions made in this statement, they have only to ask any farmer in our neighborhood. There are some young farmers living in our neighborhood who remember distinctly that this binder cut their father's harvest before them. I wish to say to my brother-farmers that if they ever own a Minneapolis, they will own an Acme of perfection in binder building.

My address is Feesburg where I can be found at any and all times and I solicit communication in person or by mail by man, woman or child who is interested in this matter.

Very respectfully,

LOUIS LOVE.

Gentlemen of Mason county: Mr. Love's old Binder is here in front of our store upon exhibition. Mr. Love only lives fifteen miles from Maysville. You can call upon him and his neighbors and see what this old Minnie has done. This old machine is guaranteed to yet cut 100 acres of grain. Come and look at this old warhorse; see the excellent condition it is yet in! Look at the gear and cog wheels and learn for yourself the excellent grade of material which goes into the construction of a Minnie Binder.

## The Wastes of the Body.

Every seven days the blood, muscles and bones of a man of average size lose two pounds of worn-out tissue. This waste cannot be replenished and the health and strength kept up without perfect digestion. When the stomach and digestive organs fail to perform their functions the strength lets down, health gives way and disease sets up. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten into the kind of blood that rebuilds the tissues and protects the health and strength of the mind and body. Kodol cures Indigestion, Dyspepsia and all stomach troubles. It is an ideal spring tonic. Sold by J. Jas. Wood & Son.

## Perfect Soda Water

Daintiness marks the making and serving of our Soda Water; satisfaction and refreshment follow the drinking. Fairly good soda is not hard to find, but absolutely perfect soda is a rarity. We serve perfect soda because we have the fountain, the experience, the skill, and do not hesitate to spend money to make our soda best. We look after the cleanliness as carefully as though we had to do all the drinking ourselves.

To drink our soda is to go out glad.

## SORE HANDS

Itching, Burning Palms,  
Painful Finger Ends,

With Brittle, Shapeless,  
Discolored Nails,

As Well as Roughness and  
Redness,

## ONE NIGHT TREATMENT

Soak the hands on retiring in a strong, hot, creamy lather of Cuticura Soap. Dry and anoint freely with Cuticura Ointment, the great skin cure and purifier of emollients. Wear, during the night, old, loose kid gloves, or bandage lightly in old, soft cotton or linen. For red, rough and chapped hands, dry, fissured, itching, feverish palms, with brittle, shapeless nails and painful finger ends, this treatment is simply wonderful, frequently curing in a single application. In no other way have Cuticura Soap and Ointment demonstrated their astonishing curative properties more effectually than in the treatment of the hands, especially when tortured with itching, burning and scaly eczema.

Complete local and constitutional treatment for every humor of the skin, scalp and blood, with loss of hair, may now be had for one dollar. Bathe freely with hot water and Cuticura Soap, to cleanse the surface of crusts and scales, and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment freely, to allay itching, irritation and inflammation, and soothe and heal, and, lastly, take the Cuticura Resolvent Pills, to cool and cleanse the blood. This treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning and scaly humors, and points to a speedy, permanent and economical cure of torturing, disfiguring humors from infancy to age, when all other remedies and the best physicians fail.

## River News

The river is steadily falling at all points.

The Tacoma for Pomeroy will be up tonight.

The Virginia will pass up for Pittsburgh tonight.

The Bonanza will pass down tonight from Pomeroy.

The towboat Emerald is stuck hard and fast in the Wabash, near New Harmony, Ind.

The Cincinnati-Louisville packets Sunday carried large crowds of excursionists. It was the beginning of the 50-cent-a-round-trip fare, and it proved a drawing card.

Harbor No. 25, American Association of Masters and Pilots, at Pittsburgh, have taken up the matter of asking the Government to have the snag at Woodruff lie up at that end of the Ohio, rather than at Cincinnati. This method, the pilots claim, would result in much better service of the boat in its work in the Ohio river, going to the more rapid decline and more work on the upper end of the river. The river is almost too low for navigation now, and the boat could be doing her work on the upper end before the lower end is ready.

## GO RIGHT AT IT.

Friends and Neighbors in Maysville Will Show You How.

Get at the root of the trouble. Rubbing an aching back may relieve it but it won't cure it. You must reach the root of it—the kidneys.

Doan's Kidney Pills got right at it. Reach the cause; relieve the pain. They cure too so Maysville people say. Mr. W. L. Nicholson of 14 Court street employed by M. C. Russell & Sons, Grocers, says:

"The use of Doan's Kidney Pills by anyone who does much riding will help an aching back so quickly he will wonder greatly at the prompt and effective relief of the trouble. I procured Doan's Kidney Pills at J. Jas. Wood & Son's drugstore corner of West Second and Market streets on the advice of a friend and the results obtained were so satisfactory that it is a pleasure to recommend the remedy to others whenever opportunity is offered."

For sale by all dealers. Price 50c. Mailed by FOSTER-MILBURN CO., Buffalo, N. Y.

## \$500 REWARD FOR WOMEN WHO CANNOT BE CURED.

So uniformly successful has Dr. Pierce's Favorite Prescription proven in all forms of Female Weakness, Prolapsus, or Falling of Womb, and Leucorrhoea, that, after over a third of a century's experience in curing the worst cases of these distressing and debilitating ailments, Dr. Pierce now feels fully warranted in offering to pay \$500 in cash for any case of these diseases which he cannot cure.

IT STANDS ALONE.—The "Favorite Prescription" stands alone, as the one and only remedy for these distressingly common forms of weakness, possessed of such positively specific curative properties as to warrant its makers in proposing, and binding themselves to forfeit, as we, the undersigned proprietors of that wonderful remedy hereby do, to pay the sum of \$500 in legal money of the United States in any case of the above diseases in which after a fair and reasonable trial of our treatment, we fail to cure. No other medicine for the cure of woman's peculiar ailments is backed by such a remarkable guarantee; no other medicine for woman's ills is possessed of the unparalleled curative properties that would warrant its manufacturers in making such an offer; no other remedy has such a record of cures on which to base such a remarkable offer.

Therefore, insist on having Dr. Pierce's Favorite Prescription and turn your back on any unscrupulous dealer who would insult your intelligence by attempting to foist upon you some inferior substitute, under the plea that "it is just as good." Insist on having the article which has a record of a third of a century of cures, and which is backed by those willing to forfeit \$500 if they cannot cure you.

In cases attended by a leucorrhoeal drain a solution of Dr. Pierce's Lotion Tablets should be used conjointly with the use of the "Favorite Prescription." They are sold by all druggists, or sent post-paid to any address, on receipt of 25 cents in stamps. Send 31 cents in stamps for Dr. Pierce's Common Sense Medical Adviser. Address: WORLD'S DISPENSARY, Buffalo, N. Y. Weak and sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is held as strictly private. Address Dr. R. V. Pierce, Buffalo, N. Y. Dr. Pierce's Pellets cure biliousness.

## TAKE IT IN MAY.

Purifies the Blood as Nothing Else Can Do—Makes Strong Nerves, Cures Disease.

## PAINE'S CELERY COMPOUND.

Weariness, insomnia, impure blood, and nerve troubles make life a burden for our women in springtime. Accumulations of waste and morbid matters in the blood during the winter season have poisoned the life stream, causing the liver to become sluggish, and the kidneys are suffering and unable to remove waste and dangerous products from the system. It is now time for the sick and ailing to strike at the root of trouble. The month of May should be a time of recuperation and cure. The needed and blessed work can be successfully accomplished by the use of Paine's Celery Compound, the only medicine that can correct unhealthy nerve action, and feed the nerve centers with elements that will build them up into healthy tissues. Try Paine's Celery Compound this month if you are suffering, weak, languid, and despondent; happy and blessed results will follow.

Mrs. Rebecca K. Rowland, Lexington, Ky., writes as follows:—  
"Some time ago I had a very severe attack of Grip, and it left me with a cough. Then kidney and bowel troubles set in, and I became so weak that I could not walk. I was so nervous I could scarcely feed myself, and could only sleep a small part of the night. I had doctor after doctor, but did not get rid of my ailments. I chanced to hear of some wonderful cures wrought by Paine's Celery Compound, and decided to give it a trial. I did so, and it cured me of my troubles. I thank God that Paine's Celery Compound was discovered; it made me strong, it made me walk, and it gave me sleep. People say to me: 'You look younger than you did ten years ago,' and I reply that Paine's Celery Compound did it with God's help. I shall praise Paine's Celery Compound while I live for all it has done for me."

## Important Announcement of the Maysville Gas Company.

Per Thousand  
Under 2,000 cubic feet.....\$1.50  
Over 2,000 cubic feet and under 3,000 cubic feet.....\$1.25  
3,000 cubic feet and any amount over.....\$1.00

At a meeting of the Board of Directors of the Maysville Gas Company March 26th, 1903, it was ordered, that on and after the 1st day of April, 1903, the above sliding scale price of gas for all purposes, fuel and illuminating, should go into effect for private consumption.

All rates and discounts heretofore made are abolished. It was also ordered that after the 1st of April the old rate of the Company, "Gas will be turned off, if account is not paid within five days after presentation," shall be strictly and indisputably enforced, regardless of whom it may concern. (This action was taken, not to appear arbitrary, nor with the idea that the Company might be taken up at a specified time during the month and disposed of, and further in order that the time and thought of the Company's Agents and employees, now so largely occupied with this work of collecting money, for the balance of the month, be directed towards giving consumers of gas better attention and more efficient supply and service.)

It was further ordered that, beginning the first of May, and for each and every month thereafter, the monthly statement of account of each consumer should be delivered to said consumer by an Agent of the Company on the first day of the month, or second day if the first comes on Sunday, and that said account shall thereafter be due and payable at the office of the Company on Court street within five days, and if not so paid gas will be promptly shut off.

The Gas Company further announces that after the first day of April they will handle and sell at cost price to gas consumers any of the great variety of Gas Stoves and Ranges shown in the catalogue of the Detroit Stove Works, which price will be equivalent to 50¢ discount from the list prices in said catalogue. Said stoves will be sold for cash only, or according to the terms of a printed lease, whereby easy payments are extended over a period of from twelve to seventeen months. For instance: Take a gas range listed in catalogue at \$20; the Gas Company will sell this range to consumer for \$12 cash, or for \$2.50 cash at signing of lease and 60¢ per month for seventeen months, at the expiration of which time the range is sole property of consumer.

The Company has selected to handle the Detroit Jewel Gas Range on account of its known reputation for durability and economy in its consumption of gas.

The Gas Company will also handle at cost the fixtures and mantels of the Weisbach Company in all of their many attractive varieties. Before closing this announcement the Gas Company wishes to publicly express its appreciation of the extremely fair, just and courteous treatment accorded them by His Honor, the Mayor, and Board of Council, particularly the Chairman and members of the Gas Committee, through whose efforts in behalf of the private consumers the above concessions in the price of gas are now made. With the assurance to the citizens of Maysville that it will be the earnest effort of the Company and its Agents to give you the very best service at the very least cost, we beg to remain, very respectfully,

MAYSVILLE GAS COMPANY.

P. S.—On and after the 1st of April the Gas Company will have an exhibition at the plumbing establishment of Mr. Larry Langefeld's supplies of the Detroit Jewel Gas Ranges, to the inspection of which those interested are cordially invited. # CLOTHING TALK!

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices. OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours. Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.
